

**A4**  
Saloon | Avant

Audi  
Vorsprung durch Technik 

You drive this.

# You feel that.

Design and technology that lead the way. Sporty and pioneering. United in the new Audi A4 Saloon and the new Audi A4 Avant. See for yourself.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

**Progressive design –**  
clear surfaces, sharp lines, distinctive style.

The powerful-looking front end, the three-dimensional Singleframe and the sporty, elegant design. The Audi A4 Saloon and the Audi A4 Avant: exciting, inspiring, captivating.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

Dynamic, precise, succinct. From the front end to the distinct diffuser with integrated tailpipes. Rounded off by optional LED rear lights with dynamic indicators in a progressive design.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

A saloon with a new design language. Emphatically sporty. Strikingly staged. By the straight roof line and the crisp, all-round shoulder line with gently tapering shadow edge.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

# L i g h t s   o n .

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

# N i g h t o f f .

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

**Audi Matrix LED headlights –**  
see and be seen.

A shining example of progressiveness: the crystal-like light from the optional Matrix LED headlights casts a bright, uniform light across the road.

**R o a r i n g e n g i n e .**

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

# Beating heart.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

**New TFSI® and  
TDI® engines –  
breathtaking performance, lower fuel consumption.**

Many engines, one principle: more power, lower fuel consumption. TFSI and TDI engines of the latest generation. From the 2.0 TFSI and the 2.0 TDI to the 3.0 TDI quattro. Powerful performance with reduced emissions. Experience driving dynamics and efficiency with virtually no compromise.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

**Modern driver assistance systems –**  
arrive more relaxed and also save fuel.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

More comfort, greater safety and reduced fuel consumption. Assured by an intelligent combination of newly developed assistance systems. As an option, the predictive efficiency assistant helps you to adopt an anticipatory driving style for fuel savings of up to 10%. adaptive cruise control with Stop&Go function including congestion assistant will make driving easier in slow-moving traffic, and at speeds of up to 65 km/h will even help to steer the car. The next step towards piloted driving.

quattro® –  
enhanced dynamics, traction and safety.

Agility in everyday driving and beyond. Stick to the road. Wherever and whenever you want. With the optional quattro all-wheel drive. More traction in virtually every situation. Exhilarating dynamics. Thrilling handling characteristics that you won't ever want to lose.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

# Real excitement.

Focus on the future of mobility. With the optional Audi virtual cockpit. Fully digital instrument cluster with high-resolution 12.3-inch colour display. A high level of function and design. Few buttons, many functions. Plus Audi MMI and, on request, the head-up display that projects additional information onto the windscreen. Experience infotainment on a grand scale. Right here in your Audi A4.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

MMI® and  
Audi smartphone interface –  
your personal data environment integrated  
and intuitively controlled.

Everything under control. Driver-oriented and tailored to you. The familiar world of your smartphone with the optional Audi smartphone interface. Presented on the high-resolution MMI display. In brilliant colour. And for even more entertainment, convenience and safety, there are the innovative Audi connect services<sup>1</sup>. Up-to-date data delivered at top speed thanks to the LTE<sup>2</sup> mobile communication standard. Why not see for yourself.

<sup>1</sup> Legal information and terms of use can be found on page 75. <sup>2</sup> Full use requires LTE card contract. For information about the availability and use of LTE support, please contact your Audi partner.

Turn it up.

BANG & OLUFSEN

Be in the front row.

Almost like in a concert hall. The optional Bang&Olufsen 3D Sound System raises musical enjoyment to a new level. Assured by an amplifier output of 755 watts and 19 loudspeakers. Midrange speakers and tweeters specially integrated into the A-pillar create a three-dimensional sound that reproduces the full depth of the music. And with a precision that will give you a fascinating in-car experience.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

The image shows the front interior of an Audi Quattro. The dashboard and center console are finished with dark wood grain. The seats are upholstered in rich brown leather. A large digital display is mounted on the dashboard, showing various icons for navigation, telephone, and Audi connect. The center console features a gear selector and a rotary dial. The overall design is sleek and modern.

## Interior design – innovative architecture, sophisticated ambience, impressive quality.

High tech, functionality and design. Impressively and harmoniously combined in the interior. Horizontal interior architecture. Exuding lightness and breadth. High-quality materials, sophisticated tactile qualities and precision workmanship. Plus headroom, shoulder room and legroom that ensure a wonderful sense of space. The optional ambient lighting with its range of colours creates an atmosphere of well-being.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

**Functional interior –**  
comfortable environment,  
generously spacious.

The interior concept in the new Audi A4 Avant. Well thought-out down to the last detail. From the generous amount of space for all passengers through to the impressive luggage capacity. With optional sensor-controlled luggage compartment lid release. A movement of the foot is all that's required. For fast, convenient loading and unloading. Without having to search for the key.

The all-new Audi A4:  
Progress is intense.

The fuel consumption and CO<sub>2</sub> emission figures can be found from page 68 onwards.

### **Audi A4 Saloon or A4 Avant 2.0 TFSI ultra (140 kW from 109 g and 114 g CO<sub>2</sub>/km)**

The A4 2.0 TFSI ultra model is available with all equipment without any restrictions.

### **Audi A4 Saloon 2.0 TDI ultra (110 kW from 95 g CO<sub>2</sub>/km for manual transmission and from 99 g CO<sub>2</sub>/km for automatic) or A4 Avant 2.0 TDI ultra (110 kW from 99 g CO<sub>2</sub>/km)**

These vehicles represent extra efficiency Audi models in which the balance between power and consumption has been improved even further. These Audi models are characterised by reduced consumption and CO<sub>2</sub> emissions when compared with standard models. This effect has been achieved by modifications to the vehicle.

#### **The A4 Saloon and A4 Avant 2.0 TDI ultra models (110 kW) are equipped with the following as standard:**

- 6-speed manual transmission with improved transmission ratio
- also available with 7-speed S tronic automatic transmission
- driver information system with gear change and efficiency displays; provides gear-changing and fuel-saving tips to help the driver adopt a fuel-efficient driving style
- swivelling radiator grille to optimise heat-up behaviour and aerodynamics
- tyres with improved rolling resistance to allow fuel to be saved
- improved ride height (thanks to sport suspension) and various vehicle components for low drag coefficient

**As standard the A4 Saloon and the A4 Avant 2.0 TDI ultra (110 kW) are equipped with forged lightweight wheels with full wheel covers, size 7 J x 16 with 205/60 R 16 tyres.**

#### **The following wheel options are also available:**

- forged aluminium wheels in 10-spoke design, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>
- cast aluminium wheels in 5-arm star design, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>
- cast aluminium wheels in 5-parallel-spoke design, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>
- cast aluminium wheels in 5-arm aero design, contrasting grey, partly polished, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>
- cast aluminium wheels in 5-spoke Y design, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>
- cast aluminium wheels in 10-spoke crystal design, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>
- forged aluminium wheels in 10-spoke design, size 7.5 J x 17 with 225/50 R 17 tyres<sup>11</sup>

#### **The following equipment is not available for the A4 Saloon or A4 Avant 2.0 TDI ultra (110 kW):**

- S line sport package
- comfort suspension with damper control
- auxiliary heating

### **Explanatory notes**

- <sup>1</sup> The figure given was calculated using the specified measuring procedure (current version of UN-R 85).
- <sup>2</sup> Unladen vehicle weight includes driver (75 kg) and fuel tank 90% full, calculated in accordance with the current version of Reg. (EU) 1230/2012. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- <sup>3</sup> The engine's power output always decreases with increasing altitude. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Figure for trailer load limit applies to factory-fitted trailer towing hitch. If using the vehicle with a trailer towing hitch for commercial purposes, a digital tachograph may be required under certain conditions.
- <sup>4</sup> Fuel consumption and CO<sub>2</sub> emission figures given in ranges depend on the tyre/wheel sets used.
- <sup>5</sup> We recommend using sulphur-free super unleaded RON 95 fuel complying with DIN EN 228. If this is not available, use sulphur-free regular unleaded RON 91 fuel complying with DIN EN 228; power output will be slightly reduced. Unleaded RON 95 fuel with a maximum ethanol content of 10% (E10) can generally be used. Fuel consumption details refer to operation with RON 95 fuel complying with 692/2008/EC.
- <sup>6</sup> The figures given were calculated using the specified measuring procedures. The figures do not refer to one individual vehicle and do not form part of any offer, but rather should be used purely for purposes of comparison between the different vehicle models.
- <sup>7</sup> A vehicle's fuel consumption and CO<sub>2</sub> emissions do not just depend on how efficiently the vehicle uses the fuel, but are also influenced by driving behaviour and other non-technical factors. CO<sub>2</sub> is the greenhouse gas primarily responsible for global warming.
- <sup>8</sup> Regulated.
- <sup>9</sup> In conjunction with low rolling-resistance tyres.
- <sup>10</sup> We recommend using sulphur-free diesel complying with DIN EN 590. If this is not available, use diesel complying with DIN EN 590.
- <sup>11</sup> You will find specifications on the technical characteristics of tyres on page 71.
- <sup>12</sup> In conjunction with low rolling-resistance tyres, the maximum permissible speed is 210 km/h.
- <sup>13</sup> In conjunction with low rolling-resistance tyres and a maximum permissible speed of 210 km/h.
- <sup>14</sup> Please note the special information relating to wheels on page 71.

### Important note

**Special information about the wheels:** Wheels with gloss turned finish as well as polished or partly polished aluminium wheels must not be used in wintry road conditions. For manufacturing reasons, the rim surface does not have sufficient corrosion protection for such use and can be damaged permanently by road salt or similar.

### Classifications of tyre parameters

The table shows the range of fuel efficiency, wet grip and exterior noise emission classes for the different tyre sizes of the Audi A4 Saloon and the Audi A4 Avant.

|              | Tyre size   | Fuel efficiency class | Wet grip class | Exterior noise emission class   |
|--------------|-------------|-----------------------|----------------|---|
| Summer tyres | 205/60 R 16 | E-C                   | B-A            | 71-70    |
|              | 225/50 R 17 | F-C                   | C-A            | 73-67  -  |
|              | 245/40 R 18 | F-C                   | B-A            | 72-68  -  |
|              | 245/35 R 19 | E                     | B              | 67   |
| Winter tyres | 205/60 R 16 | E                     | C              | 67   |
|              | 225/50 R 17 | F-E                   | E-C            | 72-68  -  |
|              | 225/45 R 18 | E                     | C              | 72-69  -  |
|              | 245/40 R 18 | F-E                   | E-B            | 72-68  -  |

It is not possible to order a specific tyre.

Ask your Audi partner about the range of tyres available in your country.

Equipment for the Audi A4 Saloon illustrated (p. 2-43):

Paint finish: Argus brown, metallic

Wheels: cast aluminium wheels in 10-spoke dynamic design, partly polished<sup>14</sup>

Seats/seat upholstery: sport seats, front, in fine Nappa leather, cedar brown with contrasting stitching and piping in granite grey

Inlays: oak, natural grey

Other equipment: Audi design selection, S line exterior package

Equipment for the Audi A4 Avant illustrated (p. 2-43):

Paint finish: Daytona grey, pearl effect

Wheels: cast aluminium wheels in 5-twin-spoke star design (S design)

Seats/seat upholstery: sport seats, front, in fine Nappa leather, rotor grey with contrasting stitching in rock grey

Inlays: matt brushed aluminium

Other equipment: S line sport package, S line exterior package

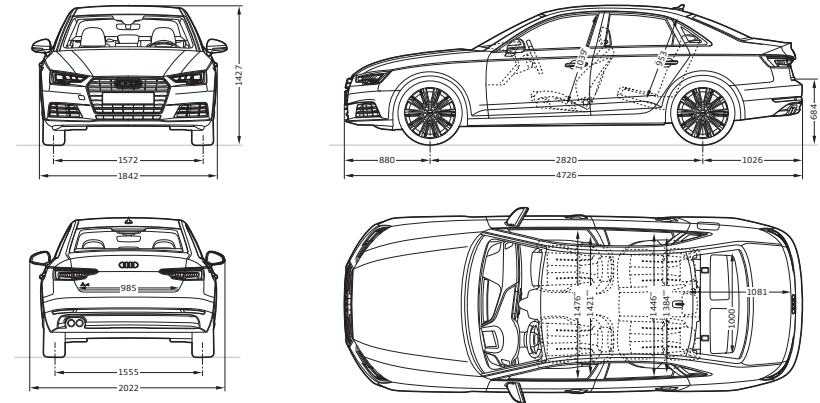

### Audi A4 Saloon

Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage capacity: 480/965 l

(second value with rear seat backrest folded down and vehicle loaded up to the rear parcel shelf). Turning circle approx. 11.6 m.

\* Maximum headroom. \*\* Elbow room width. \*\*\* Shoulder room width.

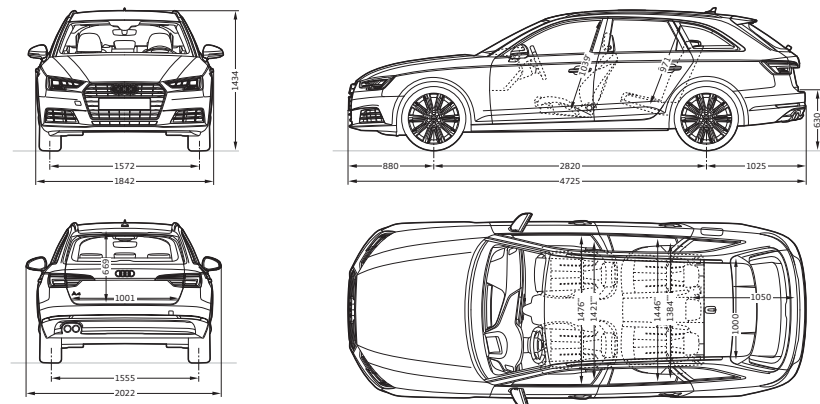

### Audi A4 Avant

Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage capacity 505/1,510 l

(second value with rear set backrest folded down and vehicle loaded up to roof height). Turning circle approx. 11.6 m.

\* Maximum headroom. \*\* Elbow room width. \*\*\* Shoulder room width.

- Standard equipment  
 Optional equipment  
 Standard/optional equipment varies by model  
 – Not available

Country-specific variations possible. Please find out from your local Audi partner which equipment is standard and what optional equipment is available in your country. More detailed descriptions of a selection of items from the equipment range can be found from page 44 onwards.

- <sup>1</sup> For information on when this feature will be available, please contact your Audi Partner.  
<sup>2</sup> Only available in conjunction with S line sport package or S line exterior package.  
<sup>3</sup> From quattro GmbH.  
<sup>4</sup> Please note the special information relating to wheels on page 71.  
<sup>5</sup> Standard for engine models from 140 kW.  
<sup>6</sup> Standard for Audi design selection.  
<sup>7</sup> Only available in conjunction with S line sport package.  
<sup>8</sup> Only available in conjunction with sport seats with seat ventilation.  
<sup>9</sup> Only available in conjunction with Audi design selection.  
<sup>10</sup> Only available in conjunction with Audi exclusive leather package.  
<sup>11</sup> Standard for A4 Avant and on vehicles with quattro drive.  
<sup>12</sup> Standard in conjunction with Audi Matrix LED headlights.  
<sup>13</sup> Only available for A4 Avant.  
<sup>14</sup> Only available in conjunction with gloss package.  
<sup>15</sup> Only available for A4 Saloon.  
<sup>16</sup> Tracking system available for retrofitting from Audi Genuine Accessories.  
<sup>17</sup> Only available in conjunction with MMI navigation plus and Audi connect.  
<sup>18</sup> For information about the compatibility of your smartphone, please contact your mobile phone manufacturer.  
<sup>19</sup> Only available for TDI models.  
<sup>20</sup> Please contact your Audi partner or visit [www.audi.com/mp3](http://www.audi.com/mp3) for information on compatible media players.

#### Legal information regarding Audi connect

Use of the services supported by Audi connect is possible only with the optional MMI navigation or MMI navigation plus equipment and with Audi connect. You also require a SIM card with data option and with LTE option<sup>18</sup> to use LTE.

In conjunction with the optional equipment Audi phone box, a SIM card with phone and data option or a Bluetooth-compatible smartphone with remote SIM Access Profile (rSAP)<sup>20</sup> is required for the use of the integrated car phone function. The services are available only in conjunction with an existing or separate mobile phone contract and only within the range of the respective mobile phone network. Additional costs may be incurred when receiving data packets from the internet, depending on the terms of your mobile phone contract, particularly when used abroad. Because of the high data volumes involved, a data flat rate is strongly recommended. The availability of the services supported by Audi connect varies from country to country. For MMI navigation plus and MMI navigation in conjunction with the optional Audi connect: Audi connect services are available for at least 1 year from vehicle delivery. After 24 months have expired, Audi connect services will be extended free of charge once for 12 months. If you do not require this free extension, please write to:

AUDI AG

Audi International Customer Care Services  
 85045 Ingolstadt, Germany  
 Email: [kundenbetreuung@audi.de](mailto:kundenbetreuung@audi.de)  
 Tel: +49 (0)800 -2834 7378423

Ask your Audi partner about a subsequent extension of the Audi connect services. For MMI navigation without the optional Audi connect: the Audi connect services are available free-of-charge for a trial period of approx. 3 months from vehicle delivery. Ask your Audi partner about a subsequent fee-based extension of the Audi connect services. Audi connect allows access to Google and Twitter services. Permanent availability cannot be guaranteed, Google and Twitter are responsible for this. Please visit [www.audi.com/connect](http://www.audi.com/connect) or contact your Audi partner for more detailed information about Audi connect; contact your mobile services provider for information about contract conditions.

#### Legal information regarding Audi tablet

The functions of the Audi tablet may vary by region. Mobile charges may be incurred. The vehicle data that can be displayed depends on the vehicle and the equipment. The navigation function requires an Audi connect Wi-Fi hotspot and internet access, in some countries exclusively follow mode with display of current vehicle position. The Google Play Store function requires internet access.
